

ALL OF ARBUCKLE'S CONTRACTS CANCELLED

ANNOUNCEMENT MADE BY WILL H. HAYES IN NEW YORK YESTERDAY

Head of Motion Picture Producers' Association Says That it Affects Nearly 10,000 Contracts—The Fans Will Not Have to Decide Upon the Showing of the Films

NEW YORK, April 18.—Cancellation of all contracts for the showing of films in which Roscoe E. (Fatty) Arbuckle appears, was announced tonight by Will H. Hays, head of the Motion Picture Producers' Association. This action, he said, affected nearly 10,000 contracts.

"After consultation with Mr. Nicholas Schneek, representing Mr. Joseph Schneek the producers and Mr. Adolph Zukor and Mr. Lasky of the Famous-Players-Lasky corporation the distributors," Mr. Hays' statement said, "I will state that at my request they have cancelled all showings and all bookings of the Arbuckle films. They do this that the whole matter may have the consideration that its importance warrants and the action is taken notwithstanding the fact that they had nearly 10,000 contracts in force for the Arbuckle pictures."

TERRIFIC STORMS TAKE DEATH TOLL AND CAUSE DAMAGE

Indiana is Hardest Hit in Loss of Life and Injured

CHICAGO, April 18.—The terrific storms sweeping eastward across the country which in some parts of the central states became tornadoes resulted in at least 32 killed, 2 missing, 320 injured and several millions damage to property according to reports tonight from the stricken areas.

The 320 listed thus far as injured include only those in towns which felt the full effect of the storms.

Scores of others in sections which were not in the tornado belts were hurt and the total is believed to be beyond the 500 mark.

In addition several of the injured are in critical conditions and may not live.

Illinois and Indiana were hit hardest. The list of known dead in Illinois being 11, while in Indiana 19 fatalities already have been reported. The Illinois reports are believed to be complete, but there are some areas in Indiana from which no word has been received all lines of communication being broken. Two persons were killed in Missouri, while Kansas, Michigan and Ohio sustained heavy property damage. Tonight the storms still were moving eastward but apparently had spent their full strength, subsiding in most places to snow, rain or hail, with winds which while high were not of tornado velocity.

The following table shows the known dead and injured in the sections where the storms were most severe:

Indiana	Dead	Miss	Inj
Hedrick	9	0	100
Williamsport	3	0	50
Orestes	3	2	50
Brooks	2	0	10
Sloan	2	0	25
Total	19	2	235

Illinois	Dead	Injured
Irrington	4	35
Hidalgo	2	5
Ogden	2	10
Newton	2	25
Total	11	85

Missouri	Dead	Injured
Warsaw	2	0

Grand total of all states 32 dead; 2 missing; 320 injured.

Tonight hundreds of families were homeless their houses demolished by the storms, and Red Cross and other relief workers had been rushed into the devastated areas. Telephone and telegraph lines were down in most of the affected areas so that complete reports of the destruction still were unavailable.

**AURORA VOTERS REJECT DAYLIGHT SAVINGS.**

CHICAGO, April 18.—Aurora voters today defeated the daylight savings ordinance deciding to stay on standard time this summer. Opposition to the Chicago time was expressed by the farmers.

SENATE G. O. P. IN FAVOR OF PASSAGE OF BONUS MEASURE

Finance Committee Majority Requested to Report Bill

(By The Associated Press)

WASHINGTON, April 18.—Senate Republicans, meeting today in party conference voted 26 to 9, in favor of the passage of a soldiers' bonus bill at this session of congress. The finance committee majority was requested in a formal resolution to report such a measure "within a reasonable time," which was construed by some leaders as three or four weeks.

Senator Watson of Indiana a Republican member of the finance committee said the bonus bill probably would be taken up in the senate and put through immediately after it was reported.

Under the present plan the tariff bill which by a decision of party conference is to be called up Thursday without further delay would be laid aside temporarily for consideration of the bonus. There was a suggestion that a means of financing the bonus might be provided for in an amendment to the tariff bill.

There is a division of opinion among majority senate leaders as to whether the senate could attach a revenue provision to the bonus bill itself because of the requirements that revenue measures originate in the house. The bonus measure passed by that body carried no means of financing. Aside from the house bill which was referred to it last month the senate committee has before it the bonus legislation which was recommended by the senate last July at the request of President Harding. This likewise has no revenue raising provision.

Only one member of the finance committee Senator Calder of New York voted against the conference resolution declaring for passage of the bonus. The other eight senators were reported to have been Wadsworth, New York, Edge New Jersey, Nelson, Minnesota; Weller, Maryland; Newberry, Michigan; Pepper, Pennsylvania; Sterling, South Dakota; Mores, New Hampshire.

**Will Determine Procedure.**

After the return here Thursday of Chairman McCumber of the finance committee majority members of that committee will meet to determine procedure on the bonus. Representatives of the American Legion and other organizations of veterans of the world war will be heard possibly late this week.

Senator McCumber desires to get the bill before the senate as soon as possible. He and several others of the majority members are inclined to favor the house bill with its adjusted certificate bank loan provision but there is considerable opposition to this measure by other committee members. Before the committee comes to any decision a number of its members plan to discuss the question with President Harding. The president has expressed a desire that the tariff bill be given preference and there was some conflict of opinion today at the capitol as to whether the program of proceeding with the tariff Thursday with a plan to lay it aside for consideration of the bonus conformed to this view of the executive.

Republican senators say they anticipate a fight by the Democrats and some Republicans but confidence was expressed that the bill could be put thru at this session of congress despite the threatened split between the senate and house on the question of American valuation.

Democratic members of the finance committee continued today with their study of the tariff in preparation for a minority report attacking the measure.

SPRINGFIELD, Ill., April 18.—Passenger train service on the Chicago, Peoria & St. Louis railroad between Peoria, Springfield, Jacksonville, Havana and Alton, will be reduced to one first class train daily in each direction according to an agreement reached here today between railroad officials and representatives of the towns affected by the reduction.

The agreement came while the Illinois Commerce Commission was hearing the railroad's petition for authority to cut its service. The same arguments which were presented to the commission convinced the municipal representatives that passenger traffic on the railroad was not a paying proposition.

New schedules were outlined at the conference and the commission was asked to make the new time effective April 23.

Besides the first class trains, mixed passenger and freight trains will be operated on the various branches.

AFTER SIXTY-NINE YEARS OF SERVICE VETERAN RETIRES

Frank Knight Quits Burlington Service at Age of 94 Years

(By The Associated Press)

CHICAGO, April 18.—After working for one organization continuously for sixty-nine years, Frank Knight retired from the service of the Chicago, Burlington & Quincy railroad at the age of 94 years.

Mr. Knight ran the first train from Chicago to Aurora and recently has been in charge of Hawthorne Yard of his company. He is still in possession of all his faculties.

Besides Mr. Knight more than 60 other Burlington employees were retired on pensions at the first meeting of the newly organized pension bureau of the company. Among them was Sheldon Ayres, known as "Shell" one of the most widely known passenger train conductors in the central west. He is eighty years old and has been connected continuously with the Burlington for 55 years.

Others who were retired were John R. Wood, Joseph R. Knowles and Dexter E. Dana. Many of those retired have asked to be allowed to continue at work although several are more than eighty years old.

**BIG SHIPPERS TO BENEFIT BY RATE CUT LUHRSEN SAYS**

Are operating With Capitalists in Guise of the Public

(By The Associated Press)

CHICAGO, April 18.—Big shippers and not the general public will benefit by a decrease in wages of railroad employees, J. G. Luhrsen, president of the American order of train dispatchers testified before the United States labor board in reply to the carriers' request for an approximate 10 per cent reduction in wages.

"The general public is not making any great complaint about wages and rates at this time," Mr. Luhrsen said adding "that the capitalists and big shippers were operating under the guise of the general public."

While the railroads are requesting reduction the dispatchers are asking an increase, another question for the labor board to decide when it considers the evidence that has been introduced since these hearings started in March.

The employees are asking a wage of \$325 a month for chief dispatchers, \$300 for assistant chief dispatchers and \$275 for truck dispatchers.

Evidence and testimony to be submitted by the dispatchers will be closed at the session tomorrow morning and the firemen and others will present their case before the labor board.

HUGHES APPOINTED TEMPORARY RECEIVER

KANSAS CITY, Mo., April 18.—John G. Hughes, state finance commissioner late today was appointed temporary receiver for the Jackson County Savings and Loan association. Receivership action was taken after the directors of the institution thru their attorney, J. C. Rosenberger, had refused to absorb the loss resulting from the alleged embezzlement of company funds by Roy O. Douglas, secretary-manager, now held in jail awaiting examination and trial.

Judge Thad B. Langdon of the eighth division circuit court who granted application for receivership at the same time granted an injunction restraining an officer or employee of the loan association from interfering with possession or management of any part of the firm's property.

Mr. Hughes announced that he would begin an investigation tomorrow to determine the exact amount of the firm's assets.

NAVY MEASURE IS CAUSE OF BITTER ROW IN CONGRESS

Chairman Kelly Questions Faith of Big Navy Men

(By The Associated Press)

WASHINGTON, April 18.—Decision of "big navy" men on the heels of their victory for a bigger enlisted force not to offer amendments to the 1923 naval bill providing money, increases for shore station activities, provoked a bitter row in the house today, in the course of which Chairman Kelly charged "they had backed down, expecting the senate to complete the job."

Starting unexpectedly it raged for an hour or more and drew many into the fray. The good faith of those who had changed their plan at the eleventh hour was questioned by Chairman Kelly and Representative Mondell, the Republican leader and quickly resented by those who had put through the amendments increasing the personnel from 67,000 to 86,000.

Ready with proposals one calling for \$6,000,000 additional for the bureau of construction and repair and another for \$2,000,000 for the bureau of engineers the forces opposed to the committee measure agreed to let the bill sail along as framed.

The storm broke while the house was considering the item providing commissions in the navy for only 200 men.

Pending was a proposal to commission all.

"This discussion," said Chairman Kelly, "simply illustrates that everybody wants disarmament in the abstract but not in the concrete."

He shouted to the house that the whole question at issue circled around the number of officers and then charged that the navy department in insisting on an increased personnel wanted to put 200 additional destroyers in commission.

There came later a denial from Secretary Denby, transmitted through Representative McArthur, Republican, Oregon, of the charge that the department contemplated putting into service a larger number of destroyers than allotted by the bill.

The storm subsequently blew away, but it broke again with unexpected fury when Mr. Mondell pressing the big navy forces declared he was surprised that the amendments had not been offered when the sections were reached in view of the request last week that they be passed over until the personnel had been fixed.

Mr. McArthur one of the leaders for the 86,000 enlisted personnel said he was not concerned with any effort to obtain navy yard increases and that he would not necessarily vote for the amendments, which had been expected but which were not introduced.

After conveying Mr. Denby's denial of the report that he proposed to "add to the fleet" Mr. McArthur said he had been informed by Rear-Admiral Potter that the cost of maintaining 19,000 additional enlisted men would be \$22,000,000 and not \$60,000,000 as claimed by supporters of the bill. The provision limiting commissions as enginemen to first class men at Annapolis was approved. The amendment by Representative Swing, Republican, California, increasing from approximately \$15,000,000 to \$19,000,000 the amount appropriated for subsistence of officers and men to meet the increased personnel was adopted 86 to 77.

The bill is expected to reach its passage stage tomorrow. After a final check up tonight Mr. McArthur, speaking for the leaders on his side, said the 86,000 proposal on roll call would win by sixty votes.

CHICAGO, April 18.—Miss Mariel McCormick, daughter of Harold F. McCormick and grand-daughter of John D. Rockefeller, will sail for Europe with her father in a month or two will marry Max Oser, Swiss riding master, in Switzerland, Howard A. Colby, friend of the McCormick family, announced today.

Oser, he said, would not come to this country. Asked whether Mr. Rockefeller had consented to the marriage, Mr. Colby said, "Oh, they'll probably win him over."

He added, however, that the wedding is "absolutely going thru."

JAMES M. COX IS STILL GETTING IT OFF OF HIS CHEST

Tells Michigan Democrats About the Seating of Newberry

(By The Associated Press)

GRAND RAPIDS, Mich., April 18.—James M. Cox, Democratic candidate for the presidency in 1920, speaking as the guest of honor of Michigan Democrats at their advisory convention here tonight, described the seating of Senator Truman H. Newberry, Republican of Michigan as a defiance of the nation's sense of decency. Then he recounted acts of the present administration which he termed "further defiance of public opinion."

"Newberry," he said, would not have been seated but for assistance of the administration. It is supporting every senator who voted for him. The seating of Newberry was in defiance of public sentiment and the nation's sense of decency."

The bill is expected to reach its passage stage tomorrow. After a final check up tonight Mr. McArthur, speaking for the leaders on his side, said the 86,000 proposal on roll call would win by sixty votes.

COLE CROSS EXAMINES ONE OF STATE'S WITNESSES.

OMAHA, Neb., April 18.—Admission was made in district court today by Otto Cole, who police say admitted he escaped Joliet, Ill., prison two years ago, that he would not deny firing the shot that killed Harry Hahn, Omaha pawn broker for whose death he is on trial. Cole acting as his own lawyer, cross-examined one of the state's witnesses at the morning session.

SAYS WEDDING WILL GO THROUGH.

CHICAGO, April 18.—Miss Mariel McCormick, daughter of Harold F. McCormick and grand-daughter of John D. Rockefeller, will sail for Europe with her father in a month or two will marry Max Oser, Swiss riding master, in Switzerland, Howard A. Colby, friend of the McCormick family, announced today.

Oser, he said, would not come to this country. Asked whether Mr. Rockefeller had consented to the marriage, Mr. Colby said, "Oh, they'll probably win him over."

He added, however, that the wedding is "absolutely going thru."

BEARDSTOWN HAS HOT CONTESTS FOR OFFICE DESPITE HIGH WATER

Contests for Aldermen in Every Ward in the City—Candidates Took Voters to Polls in Boats—Railroad Men Make Boats—Food Supplies Sent to Marooned Towns

(By The Associated Press)

BEARDSTOWN, Ill., April 18.—With contests in each of the five wards in the city, Beardstown voters paddled to the polls in boats today to cast their ballots in the aldermanic election.

Every boat in the flooded city was commandeered by politicians to transport voters to the polls. One ward worker equipped an automobile with high wagon wheels and used the machine to haul voters thru the submerged streets of his ward.

Interest in the election, intense before the flood, was revived today and a much heavier vote than was anticipated was restored at the polls.

Contests were close in all wards, Independent Labor candidates winning in three wards while candidates on the Independent ticket won in the other two.

Railroad men, laid off by the Chicago, Burlington & Quincy following the coal strike became boat makers and are finding a ready market for the small craft which are sold at prices ranging from \$12.50 to \$20 each. Politicians bought the boats as rapidly as they were finished to use in the election today. Every boat turned out by the railroaders bore the trade mark "Q" on its prow.

**Third Flood Baby Born.**

Beardstown's third "flood baby" was born today but was forced to leave his home a few hours after his arrival because the rising water made the house of his parents, Mr. and Mrs. C. H. Moeller, uninhabitable. Mother and infant were taken in by a more fortunate neighbor. City authorities and officials of the Central Illinois Public Service company tonight expressed confidence in the gas works which they said would probably be able to continue in operation. Breaking of the Coal Creek Levee Sunday lowered the water in the city low enough to permit workmen to strengthen the dike protecting the gas plant.

Food supplies were delivered by boat today to Fredericks, four miles north of here. Other boats following the wake of a motor boat bearing Salvation Army Captain Brewer of St. Louis, transported food supplies to Browning eighteen miles up the river.

A small "unknown" house floated into Beardstown today and after nearing the railroad dike, collapsed. The house appeared to have been one not yet completed as it had no chimney and Beardstown residents were unable to identify the stranger.

DEEP WATERWAY PROJECT SUBJECT OF SENATE DEBATE

Calder Opposes and Townsend Favors Construction

(By The Associated Press)

WASHINGTON, April 18.—The St. Lawrence waterway project received further debate in the senate today. Senator Calder, Republican, New York, speaking in opposition of the enterprise and Senator Townsend, Republican, Michigan, urging and predicting its completion.

Senator Calder denied there was sectional prejudice in his attitude but Senator Townsend declared that all of the organized opposition had come from New York state, which the Michigan senator asserted, had secured more from the federal government for waterway improvement than any other state.

Senator Calder asserted and Mr. Townsend denied that Canada would benefit more from the waterway than the United States.

After delivery of a prepared address by Senator Calder in which he enumerated many arguments against the project, Senator Townsend spoke extemporaneously, declaring he could not let Senator Calder's criticisms go unanswered or unchallenged. Senator Calder was not familiar with the facts, Senator Townsend asserted.

"It does not come with good grace from representatives of New York," said Senator Townsend, "to speak about expenditures of money for water improvement and oppose a proposition that will do so much good to the middle west and the far west."

Congestion of freight on the Atlantic seaboard as demonstrated during the war, he said meant "the loss of American boys and also of lives among the allied forces," because America was unable to get supplies to Europe quickly enough.

Declaring Senator Calder admitted that the canal would save five cents a bushel to Canadian wheat farmers but at the same time scoff at the idea that the American farmer would receive any benefit, Mr. Townsend said the handling charges alone in New York for western wheat were from 4 to 8 cents a bushel.

"This enterprise would be an economy," Senator Townsend asserted, "and its going to succeed this selfish opposition of a section of the country to the contrary notwithstanding."

ASK COURT TO ENJOIN SIX CENT FARE ORDER.

CHICAGO, April 18.—A petition asking the federal court to enjoin the six cent fare order of the Illinois Commerce Commission to become effective May 1 was filed today by the Chicago Surface Lines. The street car companies attacked the order as confiscatory and likely to bring about a deficit of \$40,000 a day. An injunction restraining enforcement of an order providing for a five cent fare was obtained by the surface lines several months ago.

"Let no one beguile you with dreams of idleness. Life without toil, if possible, would be an intolerable existence. Work is the supreme encouragement, the sublime luxury of life."  
—President Harding.

They say that next Monday the small trial is really to begin. The veniremen who have been summoned for jury service must find the numerous adjournments very tedious. But there are professional jurors who have a liking for continuances, since their fees for service are thus increased.

Now that extensive spring rains have made well water more than unusually dangerous for drinking purposes, there is another reason for thankfulness that Jacksonville has its own supply of filtered water.

The try out of one Arbuckle picture to see how the public would take the "acquitted" comedian will not be given. Director Hays has spoken and by that word 10,000 contracts covering Arbuckle releases are automatically cancelled.

There has been such a storm of protest over this matter that the big producers left the decision altogether in the hands of the director. Mr. Hays has chosen wisely, for while Arbuckle was not proven guilty of the murder charge, no denial was made of the unsavory details of his private life.

Former President Wilson is busy these days with repudiations. He recently telegraphed his denial

of an alleged message delivered from him by Mr. Tumulty at the Democratic dinner in New York. Now he has authorized the publication of a letter disclaiming all friendly relations with Senator Reed of Missouri and voicing his opposition to the senator's re-election.

Mr. Wilson will doubtless have other repudiation chances as the months pass along.

Arbuckle paid \$111,000 in court costs out in California, in addition to his lawyers' fees. But a few hundred thousand more or less doesn't matter much even to a defunct movie star. Too much money has been the cause of most of the troubles of the movie folk.

## THE SUNDAY MOVIE

The question of Sunday movies in Jacksonville has been settled for some time to come. When the subject was presented to the city council several months ago it was agreed that the people should be asked for their views at a regular election and that the council would abide by the result. With 4677 people voting on the question, a majority of 881 has been recorded against the opening of theatres in Jacksonville on Sunday. The question was discussed in a very quiet way and very little was said publicly other than in the churches. The result can be accounted the unprejudiced view of the majority.

Where groups of people did discuss the subject it was interesting to note the variety of views. There were men and women who might ordinarily be expected to oppose anything of a secular kind on Sunday, who said that they felt that the Sunday theatre might provide harmless amusement and keep young people from interests of a more questionable kind.

On the other hand the comment was quite frequently heard from people not at all of the straight-laced variety that in six afternoons and six evenings a week ample opportunity is afforded the people of Jacksonville and vicinity to see all that is helpful or entertaining in the films.

One of the strongest arguments urged against the Sunday movie was that while the opening of the picture houses themselves might not be harmful, that such opening would merely be the beginning of a commercialized Sunday. General theatre attractions, the opening of pool rooms and other forms of amusement might naturally be

expected to follow in the course of time, and a wide open Sunday town be the result.

Still other people opposed the project for the reason that open theatres mean that operators and other employees must work seven days a week and as one voter put it: "I will not cast my ballot for any program that does not allow a worker one day's rest in seven."

Still another viewpoint was found among men and women who said that if movie theatres were open on Sunday that they would not patronize them or allow their families to attend, but they hesitated to say just what rules of conduct should govern other people on this subject. This class of people included many car owners, men and women who are accustomed to take cross country drives on Sunday or to make other trips for their pleasure and enjoyment.

Some of these people voted against the Sunday opening but presented no arguments against it, feeling, as already suggested, some reluctance to tell other people who do not happen to be car owners, just what line of recreation they can properly follow on Sunday.

## NO HEARING HAD ABOUT MARKHAM STATION

Representatives of Morgan county, G. B. Kendall, Louis Perbix, John Boddy and Rev. Mr. Wetzel, went to Springfield yesterday to appear before the Illinois commerce commission relative to the Wabash station at Markham. Recently the Wabash made application for authority to reduce the service at Markham in a way which would change the agent to a care taker and not afford the residents in that locality the service which they are now given. The hearing was set for 2 o'clock Tuesday afternoon. However the representatives of the road failed to appear and the hearing was continued.

## SURFACE WATER MAKES MANY WELLS DANGEROUS

The continued rains have resulted in forcing surface and drainage water into many wells. This was the statement of Dr. Edward Rowe yesterday, who said that a number of such cases had come under his observation. As a result Dr. Rowe said, and other physicians have joined in the suggestion, that a safe thing to do just at present is to boil all water from wells that is used for drinking purposes. There is no question about unhealthiness of water from wells at such a time, and persons who use the water without boiling it run the chance of typhoid fever or some kindred disease.

## NOTICE TO TAXPAYERS

The tax books are now in the collector's office and taxes extended stand as judgments against all parties mentioned therein.

Persons paying on personal property only should pay the tax promptly and avoid trouble and expense in collection. The judgment reads as follows: "In case any person named in said books shall neglect or refuse to pay their personal tax, you shall levy the same by distress and sale of goods and chattels of such persons." Parties paying on real estates should bring their old tax receipts to save time and avoid mistakes. If paying thru the banks, leave your old receipts with your bank as soon as possible.

## ORDERS COAST GUARD TO FLOOD DISTRICT

Assistant Secretary of the Treasury Clifford Sends Men and Boats From Chicago—Will go to Beardstown.

CHICAGO, Ill., April 18.—T. A. Malloy of the Chicago coast guard district announced that he expected to leave tonight with 15 men, three power snub boats, a number of skiffs and other equipment for the flooded area near Beardstown, Illinois.

Lieutenant Malloy acted upon instructions from Assistant Secretary Clifford of the treasury at Washington.

All equipment will be taken as near the flooded area as possible by rail. The men and boats will then strike out for Beardstown by water. Lieutenant Malloy said the guard expected to render whatever help was needed in the flooded area.

Assistant Secretary of the Treasury Clifford has charge of the coast guard. Mr. Clifford was formerly a resident of Virginia in Cass county and is familiar with conditions in Beardstown and vicinity.

Two new members were taken into the club, Mrs. Fred Quimby and Mrs. Harry Craig. At the close of the program came a social hour and the serving of delicious refreshments by the hostesses. Among the guests were Mrs. Fred Quimby, Mrs. George Morrow, Mrs. J. T. Osborne of Murfreesboro, Mrs. B. R. Bishop. It is a matter of special pride to the club members that the total pledge of \$100 toward the anti-tuberculosis sanatorium has now been completed.

News Notes  
Mrs. Al Morris and daughter of Beardstown have visited the former's sister, Mrs. George Newman and family, the past few days.

Mr. and Mrs. Robert Folsch and family of Jacksonville were Sunday guests of relatives here. Mr. and Mrs. George Robinson and little son of Shenandoah were guests Sunday of Mrs. Robinson's grandmother, Mrs. Julia McAlister, and her sister, Miss Hazel Green.

Rev. A. E. Powell attended the sessions of the Presbytery in Jacksonville Monday and Tuesday.

Mr. and Mrs. Martin Russel of Bloomington spent Sunday evening with the former's mother, Mrs. Virginia Russel.

The household science club will meet Tuesday afternoon with Mrs. A. E. Powell.

## HOMEMAKERS CIRCLE OF FRANKLIN MEETS

The regular meeting of the Franklin Homemakers circle was held Tuesday afternoon at the home of Mrs. J. B. Perkins in Franklin. The attendance was large including a number of visitors. The house was very tastefully decorated for the occasion, tulips and other spring flowers being used in abundance. The program included the following: Roll Call, "Favorite Mottoes" Paper, "The Life of Carrie Jacobs Bond".....  
...Mrs. William E. Douglas. Vocal selections, "Wearyin' for You" and "I Love You Truly" (Bond).....Mrs. W. E. Douglas. Instrumental solo.....Mrs. Leonard Hill. Paper, "French Cookery".....  
...Mrs. J. M. Keplinger. Demonstration in making of French dressing.....  
...Mrs. J. M. Keplinger. At the regular session the matter of the farmers' institute work was taken up by Mrs. W. M. Rees, county president of the domestic science section of the institute, and it is probable that the Franklin club will ask that the institute be held there this year.

At the delightful social hour, when excellent refreshments were served. Among the guests present were Mrs. W. L. Bull, Mrs. J. W. T. Stewart, Mrs. Luther Wiley and Mrs. Gih, who is a guest of Mrs. Lincoln Hills.

## DR. BRADLEY AND FAMILY LOCATED IN NEW HOME.

Dr. George R. Bradley and family are now established at their new home, 1429 Mound avenue. This is the old Browning homestead and includes ten acres of land. The house is substantial and well arranged and the Bradley family will certainly have a very substantial suburban home. Dr. Bradley will continue his offices at 223 West College avenue, the home the family has occupied, and which has now passed into the possession of Mrs. Clara Grassley.

## OLD JACKSONVILLE PRESBYTERIAL MEETINGS

(BY ENSLEY MOORE)  
Member Illinois State Historical Society

Organized Presbyterianism in Illinois was descended from Muenberg Presbytery of Kentucky, and from the Presbytery of Missouri, and from the Synod of Indiana thru Wabash Presbytery. Our

In 1836  
Rev. A. H. Dashiell, of Jacksonville, was sent to the Assembly, in April.

Fall meeting was at Jacksonville, October 11, 1836. Mr. Dashiell was released from Jacksonville church.

## First Presbytery

was organized at Kaskaskia, January, 1829, and Rev. John M. Ellis of Jacksonville, was a Commissioner to the General Assembly of 1829, in the East, at Philadelphia, Pa. This was Center Presbytery. John Matthews, John M. Ellis, Solomon Hardy (father of Barton) and Thomas A. Spilman were the ministers present. James Kerr, of Jacksonville, was the one Elder present.

The Next Presbytery Meeting was held in Jacksonville, March 10, 1829. Mr. Ellis and John Trilston, Jr., of Hillsborough, were appointed Commissioners to the Assembly above referred to. The last meeting of Center was at Wabash, October 9, 1830. It was succeeded, so far as this region went, by Illinois Presbytery. It had its first meeting in Jacksonville, March 31, 1831. At the meeting (adjourned) at Quincy Dec. 22, 1831, the pastoral relation between Rev. John M. Ellis and Jacksonville church was dissolved. Illinois Presbytery again met in Jacksonville, March 29, 1832. Solomon Hardy, J. M. Ellis, W. J. Fraser, Henry Herick, Asa Turner, J. M. Sturtevant and John Brich, ministers, were present, with Elders Anthony Poits of Carrollton, J. G. Edwards, Jacksonville, and William C. Stevenson, Union (now Woodson) William Kirby was received from the Association of the Eastern District of New Haven, (father of Judge E. P., and Capt. William A. Kirby). The Presbytery of March 28, 1833 elected J. G. Edwards and D. B. Ayers, of Jacksonville to the Assembly. At the meeting in Jacksonville, March 20, 1834, John M. Ellis and D. B. Ayers were sent to the Assembly.

Illinois Presbytery met in the church at Pisgah (this county), April 19, Rev. Ralph M. Gridley was received from the Presbytery of Ottawa, and "order taken for his installation over the church of Jacksonville, April 25, 1838." President Edward Beecher, of Illinois College was chosen to the General Assembly. "A pro re nata meeting of this Presbytery was held in the Presbyterian church in Jacksonville, July 11, x x x x The meeting was called to hear a written report from the Commissioners to the last Assembly, to the effect that they approved of and had taken part with the Assembly which convened in the First Presbyterian church, Philadelphia, Pennsylvania. (Albert Barnes, pastor.) This report the Presbytery approved, and justified the course of their Commissioners by a vote of five to two. The ayes were Gridley, Sturtevant, Jenney, McCormick and Huston; the Nays Posey and Reaugh. The Moderator, Hugh Barr, did not vote. Against this decision, Messrs. Posey and Reaugh entered their protest." And out of that meeting of Assembly came the division of the great Presbyterian organization into Old and New School assemblies which lasted until 1870.

A Fall meeting of Illinois Presbytery was held here, September 29, 1838. This sketch shows the beginning of Presbyterian organization in Jacksonville, and the important part taken in it by Jacksonville, up to the Division of 1838.

## AMERICAN LEGION POST HELD SOCIAL MEETING

American Legion Post, No. 179, held a regular monthly social meeting Tuesday evening. There was an exceptionally good attendance and the occasion was a very interesting one. An excellent musical program was given during the evening, including vocal selections by Miss Helen Wyle and violin solos by Miss Helen Sorrells. Willard Wesner serving as accompanist.

At this business session which was held preceding the program those present voted in favor of making a contribution per each member toward the gold star tablet to be placed in the Duncan Memorial. Plans were discussed for the selling of memorial poppies on Decoration day, the Service Star legion having agreed to co-operate in the selling of these flowers.

At the close of the program some time was spent socially and refreshments of ice cream and cake were served.

## HI Y CLUB MET TUESDAY NIGHT

The Hi Y club held its regular weekly meeting Tuesday night at the Congregational church with about forty-five members present. An abundance of good things to eat were served by the ladies of the church. The ladies were cheered heartily after the supper, which everyone pronounced one of the best yet.

It was decided at this meeting to conduct a membership campaign with a goal of 100. About 25 high school boys now belong and it is hoped the century mark will be reached before school is out. Committees were appointed in each class and a large gain is expected.

The club discussed plans for putting on a moving picture show at the High school in a few weeks. It is hoped that enough money may be raised in this means to liquidate any debts and still leave a surplus.

The remainder of the meeting was taken up with the study of the geography of Biblical countries under Mr. Finley.

## HEARD LECTURE BY DR. STEINMETZ.

The radio station at Illinois Woman's College heard the latter part of a lecture last night by Dr. Charles Steinmetz, chief engineer of the General Electric Company. ### OBITUARY

Alexander H. Mutch, son of William and Clara Mutch was born Oct. 20, 1885, near Murrayville, Ill., and passed away at his home in San Diego, Cal., March 25, 1922.

Alex, as he was best known, had a loving and winning way that made him many friends. He spent his school days at the county school known as Pleasant Grove, two miles east of Murrayville. His mother died in 1890 and his father passed away in the year 1909. Alex and his four sisters were left without father or mother to take life as best they could. He was always willing and ready at anytime to do a good turn for any one.

He was married in 1907 to Miss Cecile Marsh of Roodhouse. They lived in and near that community until December, 1911, when they with their daughter, Elleen left for San Diego, Cal., where they have since resided and where Helen, the other daughter was born, Dec. 18, 1912. He was foreman on the wharf at San Diego, working for the McCormick Shipping Co., and they were exceedingly proud of his management.

His death came after a few days of an attack of throat trouble called septisemia. All was done that doctors and loving hands could do. He called for no one, told no one good bye, but quietly passed to his home beyond. His sisters, Mrs. Nettie Stevenson and Mrs. Edith Irving of that place were at his bedside when death came. He leaves to mourn his loss, his wife, two daughters and four sisters, Mrs. Margaret Riggs, Roodhouse, Ill., Mrs. Maud Arnold, Greenfield, Ill., Mrs. Nettie Stevenson and Mrs. Edith Irving of San Diego, Cal., one half sister, Mrs. Lillian Gilbert, Larimore, North Dakota, one half brother, Will, San Pedro, Cal., and many other relatives and a host of friends.

## GERMAN MINISTER COMMENTS ON THE RUSSIAN TREATY

Says There is No Cause for Surprise on Part of Allies

GENOA, April 18.—Dr. Walter Rathenau, the German foreign minister, declared to The Associated Press tonight that the German delegation came to the Genoa conference with the best intentions in the world but found itself confronted with a situation where the allies were about to force Germany to accept an agreement between them and Russia whose most vital interests were at stake. "I have been told," he said, "that our arrangement with Russia has caused great surprise. The negotiations about the arrangement are not new they have been proceeding for two months and were practically concluded as they now stand a fortnight ago. I have heard no criticism regarding the contents of that arrangement but of the proceedings."

"It has been said that the arrangement is against the Versailles treaty but this would only be correct if we gave up the claims belonging to the entente. But we gave up our own claims as Russia gives up hers; so that the Russo-German treaty, is not prejudicial to any other country."

"Another criticism is that we have been treating with one single nation while assembled here in an European conference. This has been done in all conferences, but in our case we did not leave the conference table, it was the allies who treated first with Russia privately. Still we complained altho the negotiations between the allies and Russia did not take into account our interests."

"The report of the allied experts who met at London was to be approved with some modification, thus establishing a vast programme of European policy which would have given advantages to all countries except us."

"If we had not taken measures to counteract this situation we would have found one day an arrangement between the allies and Russia put before us for our signature without our having participated in our conclusion and if he had not signed it all would have said we were disturbing the harmony of the conference."

"Our conversations with Russia were not secret. I desired to inform Mr. Lloyd George personally but altho I asked to see him in the last days of the preceding week it was impossible on account of his occupation therefore I was obligated to notify him thru the intermediation of a member of the English delegation. We informed him that we could not agree to the programme contained in the report of the allied powers and were forced to negotiate with Russia direct. So I do not understand this surprise."

## DECIDE TO CONTINUE ECONOMIC CONFERENCE

(By The Associated Press)  
GENOA, April 18.—The representatives of the powers which convened the Genoa conference together with the little entente decided tonight after an all day discussion to continue the economic conference regardless of the attitude of Germany and Russia. A strong note was prepared and sent to the German delegation which declared that "Germany's act had destroyed the spirit of mutual confidence indispensable to international cooperation," and informing Germany that she is debarred from further participation in discussion of Russian affairs at the economic conference.

The meeting was held at the Villa Raggio Premier Facta's home. At the meeting considerable differences of opinion existed. Two groups formed, one led by England, and the other by France while the Italian delegates displayed a conciliatory attitude. Some of the extremists are said to have proposed breaking up the conference, but a majority favored awaiting Moscow's reply to the allied demands.

According to information from French sources Mr. Lloyd George emphasized the necessity of adopting a severe attitude toward both Russia and Germany but especially against Germany. At the evening session there was a discussion as to the advisability of insisting that Germany either revise the treaty with Russia or be expelled from all commissions of the conference.

## NO SIGNIFICANT CHANGE IN COAL STRIKE IS NOTED

Some Progress Made in Non-Union Territory Lewis Says

(By The Associated Press)  
INDIANAPOLIS, Ind., April 18.—No significant change in the nation wide coal strike situation developed during the Easter Holiday session according to President John L. Lewis, who returned tonight to the United Mine Workers headquarters after a visit to his home in Springfield, Ill. The third week of the strike, now half gone, he said, was marked by some "progress in non-union territory" but no especially big gains in enlisting non-union workers to the suspension have yet been reported by field agents.

While recent progress in the non-union districts has been confined largely to Pennsylvania, union officers indicated here that the drive would be resumed again in West Virginia as a result of the suspension in part of the federal court injunction which has interfered with the work toward unionizing the workers in Mingo county. The union view was that the injunction has been set aside for all practical purposes, and that the miners would proceed with their organization.

Altho the conference between the union and Anthracite operators were resumed today at New York union officials here were not expecting any early agreement while in the bituminous fields the situation was reported as quiet remaining in the deadlock that came with the failure of operators and miners to meet in a wage conference.

### ONE THOUSAND TO START SEARCH TODAY

PEORIA, Ill., April 18.—A posse of one thousand persons to-morrow morning at eight o'clock will leave for East Peoria to make a thorough search in the hills for W. J. Leach, missing Peoria minister and newspaper writer. The searching party will include National Guardsmen, members of the American Legion to which Rev. Leach belonged and citizens. The most recent clue today came from Springfield, Ill., where a man resembling the pastor was seen Friday night and talked with people in a restaurant about Wisconsin. Rewards for the man now total more than \$1,000.

### NO ANXIETY OVER GENOA PROCEEDINGS

Washington, April 18.—Altho the American government is neglecting no opportunity to inform itself of what is happening at Genoa, officials here betray no anxiety over the latest developments as they affect American interests. Upon the highest authority it was said today that in the view of the administration the new treaty between Russia and Germany means nothing to the United States. Unless later information convinces them otherwise President Harding and his advisers were said to accept the treaty at its face value as a financial and peace settlement without sweeping political significance.

### NEGRO BANDIT ROBS

TELLER OF \$4,000 CASH

KANSAS CITY, April 18.—A negro bandit armed with a revolver today robbed B. B. Meador, teller of the Southeast State bank of a catchel containing \$4,000 in cash and \$7,000 in checks while Meador was a passenger on a crowded street car, forced the conductor to stop the car and escaped in a motor car which had followed the street car several blocks.

### AWARDED \$7,500 ON BREACH OF PROMISE

CHICAGO, April 18.—Miss Beatrice A. Kellenn was awarded a verdict of \$7,500 by a jury today against Frank H. Brunell, owner of the Daily Racing Form. Miss Kellenn sued for \$50,000. Brunell's attorney made a motion for a new trial.

## RECEIPTS SHOW EXCESS OVER EXPENDITURES

Secretary Mellon Says in Letter to Senator McCumber

(By The Associated Press)  
WASHINGTON, April 18.—An excess of receipts over government expenditures of about \$47,000,000 as compared with a deficit of about \$24,000,000 indicated in the budget submitted in December is apparent from the latest revised estimates for the fiscal year 1922. Secretary Mellon has informed Senator McCumber, Republican, North Dakota, chairman of the senate committee in a letter made public tonight at the treasury.

For the fiscal year 1923 however, Mr. Mellon submitted a statement showing an estimated deficit of about \$359,000,000 compared with a deficit of \$167,571,000 indicated by the December budget.

The budget did not take into account \$125,000,000 of accumulated interest on war savings certificates of the series of 1918 properly charged as an ordinary expenditure representing interest on the house debt which would make the deficit for 1923 an estimated by the treasury \$484,000,000 and would have been a deficit of \$292,000,000 in the budget.

Mr. Mellon's letter was in reply to a request from the chairman of the senate finance committee which is soon to begin consideration of soldiers' bonus legislation for the latest revised estimates as to receipts and expenditures of the government for the fiscal years 1923 and 1923.

## GRAFTON, ILLINOIS, IS SURROUNDED BY WATER

(By The Associated Press)  
ST. LOUIS, Mo., April 18.—With a stage of 33.1 feet tonight the Mississippi was predicted to rise to 34.5 feet or 4.5 feet above flood stage. Grafton, Ill., near here is surrounded with Mississippi flood water and Trenton, Mo., is isolated by flood waters from the Meramec with flood stage 14 feet the Meramec at Valley Park, Mo., was predicted to pass 25 feet in the next few days. This predicted rise would flood hundreds of acres of farm land and inundate hundreds of summer cottages and club houses along the river.

The Missouri river at St. Charles was 26.5 feet today and a further rise of 7 feet was predicted. Already more than 15,000 acres of cultivated land are under water near St. Charles.

## NORMAL STUDENT SAYS MEN HAD LIQUOR

(By The Associated Press)

KALAMAZOO, Mich., April 18.—Miss Tmaline Kwackernaak, of Grand Rapids, the Western State Normal student who was injured when she jumped from an automobile driven by John Dural Dodge of Detroit on March 11, was the state's chief witness at today's session of the trial of Dodge and Rex Earl of Kalamazoo, on a charge of illegal possession, transportation and furnishing of liquor.

Miss Kwackernaak told of her alarm when Dodge drove into the country instead of to the young women's rooming house and of her request that she be taken home. Earl and Dodge, she said, offered the young women liquor, which they declined. Then she decided to leap from the machine and remembered nothing more until she regained her consciousness in a hospital.

## SOCIETY

## Entertains Presbytery at Luncheon Tuesday

The delegates and ministers of the Springfield Presbytery were luncheon guests Tuesday noon at the home of Dr. and Mrs. C. H. Rammelkamp of Lockwood Place. The guests numbered about fifty and a delicious luncheon menu was served at one o'clock. The guests were seated at small tables and bright spring flowers were used as attractive table decorations. Mrs. Rammelkamp was assisted in entertaining by Mrs. Thomas Smith, Mrs. W. H. Mar-

bach, Mrs. W. E. Spoons and Mrs. E. E. Crabtree.

## Queen Esther Circle Meets

The Queen Esther Circle of Centenary church met last evening in the social room of the church for the regular monthly meeting. Miss Helen Phelps, Miss June Fee and Miss Garneda Phelps were the hostesses for the evening. The devotional services were led by Mrs. Claude Vail and then Miss Ruth Patterson led the discussion of the work of the missionaries and mission schools among the people of the southern United States. After the program a pleasant social hour was enjoyed and refreshments were served.

## Entertains at Dinner

Mrs. William Ricks entertained a number of friends and relatives at Easter dinner. Following the serving of a delicious menu, a pleasant afternoon was spent. The guests included Mr. and Mrs. Alden Phelps and children of Waverly and Mr. and Mrs. Henry Ricks and family of this city.

## Standard Bearers Meet at Bennett Home.

The Standard Bearer's society of Centenary church met last evening at the home of Misses Lucille and Marguerite Bennett on South Clay avenue. Mrs. Earl Hutson, the president, led the devotional services and Miss Lucille Bennett read the chapter from the study book, "The Noble Army," and led the discussion which followed. A short business meeting at which Mrs. Hutson presided was held and the members of the society made plans for the making of dolls and useful little clothes of different kinds to send to the missions in foreign lands. The girls will do this work at some of the meetings in the future. A delightful social hour and the serving of refreshments came at the close of the evening.

## Hostess to Household Science Club

Mrs. J. J. Reeve entertained the members of the Household Science Club yesterday afternoon at the Peacock Inn. The affair was the regular meeting of the club and Mrs. Reeve had invited as her guests the executive board of the Domestic Science Round Table and a few friends.

An interesting program was given during the afternoon, including a paper by Mrs. George Rogerson on "Egypt, the Land of Mystery." Mrs. H. C. Woltman ac-

companied by Mrs. Edgar Martin sang a group of songs and Mrs. J. L. Henry gave the household subject, "How do You Market?" Following the program, a dainty luncheon was served. There were about fifty women present.

The officers of the Round Table who were guests of the day were Mrs. M. E. Gilbert, Mrs. J. F. Claus, Mrs. E. D. Herald, Mrs. Charles Ator, Mrs. W. O. Baumgartner and Mrs. E. A. Sovern. The other guests were, Mrs. E. W. Brown, Mrs. E. L. Fletcher, Mrs. W. L. Alexander, Mrs. A. A. Curry, Mrs. Hugh Breeden, Mrs. Byron Galley, Mrs. Earl Wiswell, Mrs. Edgar Martin, Mrs. Edward Brookhouse, Mrs. Robertson, Mrs. A. T. Capps, Mrs. Miller, Mrs. William Babb, Mrs. Fletcher Hopper, Mrs. Thomas Harber, Mrs. Grant Graff, Mrs. T. B. Reeve and Mrs. C. E. Williamson.

## Parent-Teacher Association Met

The Parent-Teacher Association of the Fourth Ward met yesterday afternoon in the gymnasium of the Washington school. The children of the school gave a program of drills and exercises during the afternoon and a short business session was held.

The program of exercises given was as follows:

Rhythm drills, Mrs. Landers' first grade pupils.

Exercises in interpretation of music using the Victrola, pupils of Miss Brown's second grade.

Third grade physical training demonstration, Miss Meyer teacher.

Demonstration in marching given by the pupils of the fifth and sixth grades under the direction of Miss Spencer.

After the program a social hour was enjoyed and refreshments were served. The mothers of the children in the fourth grade assisted by the social committee, Mrs. Lloyd Hamilton, Mrs. Robert Allen and Mrs. Louis Kelly were hostesses for the afternoon. Mrs. George Baxter, the president of the association, appointed the following nominating committee to name nominees for officers next year: Mrs. Hackett Wilder, chairman; Mrs. Ralph Hutchinson and Mrs. H. L. Caldwell.

## Professional Club to Meet.

The Business and Professional Women's Club is to meet Friday evening, April 21st at the Pilgrim Memorial. Miss Grace Tickle and Miss Nellie Boyd will be the hostesses for the evening.

## Hostess to Card Club.

Mrs. Edward Aldrich entertained the members of her card club yesterday afternoon at her home on North Church street. Two tables were made up and the afternoon hours were enjoyably spent in playing bridge. The hostess served a dainty luncheon at the close of the cards.

## Elks Dance Friday Night

The social committee of the Elks lodge announced yesterday that there would be a dance at the Elks home Friday night. This is to be one of the regular dances for Elks and their families and will no doubt be a delightful affair. The committee in charge of the dance is the regular social committee of the lodge and is composed of Herman Williamson, chairman, Elmer Lukeman and Hugh Breeden.

## Mrs. Mary Patterson Celebrates Birthday.

Mrs. Mary Patterson of 1131 West Lafayette avenue was eighty-four years of age yesterday and received congratulations from man friends and relatives. Mrs. Patterson spent many years of her life at the farm home northwest of the city, but in more recent years has been a resident in Jacksonville, and lives with her daughter, Miss Martha Patterson on West Lafayette avenue.

Sons and daughters sent their greetings, these gifts including a basket of California flowers from Mrs. L. B. Williamson a daughter resident in Oakland, Calif. Mrs. Patterson so far advanced in years, is quite vigorous and her friends and relatives are hoping and expecting that she will be with them to celebrate a great many other birthday anniversaries.

## Euchre and Dance Given by Knights of Columbus

Members of Jacksonville Council 868 Knights of Columbus and their families and friends enjoyed a euchre and dance at the hall Tuesday evening. About 250 were present and the occasion proved a most pleasant one. The bad condition of the roads prevented many members who reside in the county from attending.

In the euchre first ladies prize was won by Mrs. William Walsh and second prize by Miss Henrietta Gruber. First gentlemen's prize was won by William Fitzpatrick and second by John Gillies.

Following play the guests spent the remainder of the evening in dancing, music being furnished by Large's orchestra.

## FINE DUNBAR PRODUCTION PRESENTED AT GRAND

The Dunbar Opera Follies appeared at the Grand Opera house Tuesday night. This splendid revue is now on tour under the auspices of the American Opera association. The Dunbar name insures quality and the production was staged in a high class way. Bits from Carmen, Martha and other standard works were presented.

The cast includes some very clever dancers and other specialty work. The fact the audience found "The Follies" very much better than the title might suggest and a first class entertainment was given at moderate prices.

## S. G. LUTZ COMING FOR THURSDAY MEET

Vice President of C. & A. Road Will Acceptance of Chamber of Commerce Invitation.

S. G. Lutz, vice-president of the Chicago & Alton road, is coming to Jacksonville for the transportation meeting arranged for Thursday night by the chamber of commerce. A message was received last night by D. C. Ditz, local C. & A. agent, stating this fact and that Mr. Lutz had not given earlier reply because of his absence from his office. Mr. Lutz will make an address on transportation.

Other prominent railroad men are expected and the transportation meeting promises to be one of the most important that the Chamber of Commerce has held.

## MAY HAVE STRIKE IN MINGO COUNTY

(By The Associated Press)

NEW YORK, April 18.—Possibilities of a spread of the bituminous coal strike in Mingo county, West Virginia, following suspension by the United States circuit court of appeals at Washington, D. C., of sections of an injunction against union miners overshadowed wage discussion when the anthracite miners and operators' sub-committee on negotiations resumed session here today. News of the court of appeals' action reached here while Lawrence Dwyer of Beckley, W. Va., member of the international executive board of the United Mine Workers was preparing exhibits for an appeal to federal authorities at Washington to have the injunction lifted.

"Unionization of the Mingo county mines will go on with a rush, now," declared union leaders. "Our agents will be able to carry on their work there without molestation unless the operators interfere."

Twenty-two thousand non-union men have joined the ranks of the strikers in the Mingo region, according to Mr. Dwyer.

The anthracite sub-committee held one three-hour session today, but it was announced that no progress had been made toward settlement of wage controversies. Fifteen of the 19 demands submitted by the anthracite miners five weeks ago remain to be threshed out before framing of a new wage agreement can begin. The sub-committee will hold another short session tomorrow.

## WHITE HALL

WHITE HALL, Ill., April 18.—Up to ten o'clock Monday another inch of rain had fallen at this station, making the total for April 7.65 inches to date, to which might be added 7.97 for March, and it is still raining as this report is posted. The stage of the Illinois river at Pearl was 12 feet, 5 inches at 7 o'clock this morning, a rise of 5 inches in the past 24 hours. Heroic efforts are being put forth to save the levee embankments that remain on the river front in this Greene county town, but it is admitted that the situation is menacing. The giving way of the Fairbanks levee last week has cast deep gloom over the lower end of the county as the magnitude of the loss dawned upon the people. This break, however, did not occur on the river front, but on the south side at the point where the Columbiana slough touches the embankment. Ward Baldwin, formerly manager of the ranch, declares his belief that he could have avoided a break at this point, knowing the conditions there so well, as he would have redoubled the efforts at that particular point, where sandy conditions required extra efforts. The levee west of White Hall, the Hartwell and Hillview are in good condition this morning and nothing is being left undone to maintain a watch over them.

## Easter Services.

Easter Sunday was generally observed in an unusually variety of programs by the White Hall churches, beginning with a sunrise prayer service observed by the Baptist, Methodist and Christian congregations. The Sunday school sessions, five in all, recorded a total attendance of 807, the Baptist leading with 273, including the Tabernacle and the Princess theatre gatherings. The First Baptist facilities are too small for the attendance, and the Wendell class met in the Princess theatre with 72 men present. An Easter cantata was held in the M. E. church, and the Presbyterian and Christian congregations joined in special observance, while at the First Baptist at night was featured the singing of "Ninety and Nine" by choruses of eighty-nine male voices under the direction of Miss Emma Duncan.

## SEEK HARDING'S VIEWS ON IRRIGATION.

WASHINGTON, April 18.—President Harding's views on pending irrigation legislation will be sought tomorrow by delegates from the senate and house headed by Senator McNary, Republican, Oregon, and Representative Kinkead, Republican, Nebraska. Kinkead recently chaired the senate and house irrigation committees. One of the principal points to be discussed, it was said, is whether it would be possible to have at this session of congress the McNary bill to appropriate \$350,000,000 for Western and Southern reclamation and drainage projects.

## SOCIAL SERVICE WORK SHOWN IN REPORT

Meeting of Directors Held Tuesday Night—Committee Will Arrange For Child on's Summer Outing.

A meeting of the directors of the Social Service league was held Tuesday night in the rooms in the Morton building. President H. A. Perrin presiding. Various matters of routine business were considered. A committee was appointed, including Miss Catlin, Miss Wackerle and Dr. W. E. Spoons, who are to arrange the details of a summer outing for a number of children at the Rotary club cottage. Last year a group was sent there for two weeks under Social Service league auspices and the children had a very happy time.

The proposal from the Red Cross society relative to the handling of a certain portion of county welfare work by the league was considered. Miss Fowler gave an interesting report of the conference of family social workers held recently in Evanston.

## WOODSON

Rev. and Mrs. I. H. Fuller received a message Monday morning from their grandson, B. S. Gillman, telling of the death of his wife last Friday at the family home in Portland, Ore. The news came as a shock to the Morgan county relatives of the young man.

Mrs. J. T. Osborne of near Murrayville is a guest at the home of Mrs. Edward Gallagher.

Mr. and Mrs. Fred H. Main, Miss Laura Hatfield and B. R. Bishop, all of Jacksonville, were Sunday visitors at the home of Woodson friends.

At the Christian church Sunday evening the pastor, Rev. I. H. Fuller, delivered a strong sermon on the theme, "Putting on Christ." At this service three were baptized and there were some special musical numbers, all combining to make the service of more than usual interest.

Rev. and Mrs. I. H. Fuller will leave Tuesday for Denver, Ill., called by the serious illness of the latter's sister, Mrs. Harvey Her-ring.

## MISSISSIPPI HAS TOWN SURROUNDED.

NEW ORLEANS, La., April 18.—The Mississippi river which almost surrounds the little town of Bayou Sara, La., 25 miles of Baton Rouge broke today and flooded the place and the lower part of St. Francisville, another small town near there. The break had been anticipated and all residents of the town about 25 persons had moved to higher ground before the crevasse occurred.

## DEPARTMENT MADE RUN THIS MORNING

At 2:05 o'clock this (Wednesday) morning the Fire Department responded to an alarm from the alley in the rear of the Grand Laundry. A quantity of coal had been placed in the alley and it was smoking causing the alarm. No damage resulted.

FLOOD AFTER EFFECTS CAUSE FOR ALARM

Dr. D. I. Rawlings Director Public Health Calls Attention to Various Problems that Come After the Floods.

Flood conditions have given rise to serious sanitary problems at various points in the state and particularly along the Illinois river, according to a statement issued by Dr. I. D. Rawlings, director of public health.

These conditions while grave at present will grow more serious as the overflow waters subside. Private wells and even public water supplies are likely to have become dangerously polluted from contaminated surface water. It is not all unlikely that local typhoid fever epidemics will develop in the flooded areas unless proper sanitary precautions are adhered to.

In order to supervise the carrying out of necessary sanitary measures and to give whatever other assistance they may, two sanitary engineers from the state department of public health have been assigned for duty in the inundated areas along the Illinois river. Howard Potter, who has been stationed at Beardstown since flood conditions first grew serious at that point, has been detailed to make a survey of flooded conditions further down the river. He left Beardstown yesterday by boat for points south.

Bertrend Ivaneck has been dispatched to Valley City and he will work north along the river in an effort to determine the magnitude of sanitary problems to river communities in that vicinity. Both Ivaneck and Potter have been instructed to make daily telegraphic reports to Doctor Rawlings so that every possible sanitary precaution may be taken to prevent epidemics in the path of the floods.

Warnings to boil drinking water have already been given wide publicity in the flooded districts by the department of health. The public in those areas have also been urged to take advantage of anti-typhoid fever vaccination as a means of preventing this disease. Health officers, newspapers and physicians have been reminded that the state department of public health furnishes triple typhoid vaccine free of cost and they have been urged to stimulate public opinion in favor of its free and general use at this time.

Doctor Rawlings stated that the department of health is somewhat handicapped for funds to carry out sanitary proceedings commensurate with the situation

as it is now and as it will be after the waters recede because no contingency or emergency funds are available in the appropriations to the department either directly or indirectly.

Places where the situation is most acute and which have already been visited are Beardstown, East Peoria, Pekin, Naples and Valley City. Other points where sanitary problems have arisen will be covered by today or tomorrow.

FARMERS CANNOT QUIT FIGHTING AMONG SELVES

CHICAGO, April 18.—Unless the farmers cease fighting among themselves and get together with their marketing organizations cooperative milk marketing by producers is doomed to failure according to the report today of a committee appointed recently to investigate the milk marketing situation in Chicago. The committee of nine named at the instigation of the American Farm Bureau Federation consists of three members each from the farm bureau, the Milk Producers' association and the Milk Producers' Cooperative Marketing association. The committee met here today.

KEEN INTEREST SHOWN IN CITY ELECTION

ALDERMANIC CONTESTS HAD IN THREE WARDS

Decisive Majority Against the Sunday Movie Proposal—Aldermen Flynn and Chapin Re-Elected—Messrs. Sorrells and Harmon Are New Council Members.

The annual city election was held yesterday with a resulting vote somewhat larger than usual. The aldermen chosen are:

First Ward—Thomas Flynn.

Second Ward—Basil Sorrells.

Third Ward—William T. Harmon.

Fourth Ward—T. A. Chapin.

The people voted decisively against the Sunday movie proposal, the majority in opposition being 881. In the first ward the contest was between Alderman Thomas Flynn, Democrat, the present incumbent, and John W. Baptist, Republican. In the second ward Basil Sorrells won over C. O. Swift by a majority of 40. The greatest interest centered in the third ward, where because of the announcement of the removal of John D. Cain several other candidates were announced. Monday Harry Wells withdrew, so that the field was left practically to W. T. Harmon, Justin Biggs, Ben Owens and Fred Jameson.

During the day it developed that the race was between Mr. Harmon and Mr. Biggs and when the returns were counted it was found that Mr. Harmon had been declared the choice of the ward by a majority of 48.

The figures as to the Sunday movie question appear in an adjoining column and show that the most decisive votes against the proposal were given in the fourth and second wards. However, there were a number of precincts in the first and third wards where the vote was close and still others where a majority recorded their opposition to the proposal.

STREET RAILWAY CO. DEFENDANT IN SUIT

Walter Ayer Brings Action For \$10,000 Damage—Suit Result of Accident Last August When Mr. Ayers Was Badly Injured and His Automobile Wrecked.

Walter Ayers is the complainant in a trespass suit brought against the Jacksonville Railway Co., in which damages in the sum of \$10,000 are asked. This suit is based upon an accident which happened on August 13, 1921, when a street car owned by the railroad company struck an automobile driven by the complainant. It is shown in the bill of complaint that Mr. Ayers incurred hospital and medical expenses amounting to \$1200 and that the repairs for damages to his automobile cost \$1400.

In addition it is shown that the plaintiff was kept from attending to his regular business for a period of six months and sustained injuries from which there has not been complete recovery. It is charged that the motorman was running the car at an excessive rate of speed at a time when a severe storm was raging and the street was flooded with water. It is said that the water was overflowing the gutter to the center of the street and that the complainant was traveling with reasonable care and caution on that portion of the street which was not covered by water when the accident occurred.

It was charged that the brakes of the street car were not working properly, that the track was constructed so that a portion of the rail was above the surface and that for this reason the wheel of the automobile was caught and made it impossible for Mr. Ayers to leave the track quickly.

The bill also sets forth that the company violated the law in not having a proper head light on the car, and that because of this fact the motorman was unable to keep a lookout in order to avoid collision.

DEATHS

Jones.

Miss Blanche Luella Jones died at the family home 1457 South Main street at 3:40 o'clock Tuesday afternoon.

Decedent was the daughter of Ebenezer P. and Margaret McKelvy Jones and was born in this city October 24, 1875. She is survived by one brother, Sidney P. Jones of this city.

Miss Jones was a member of State Street Presbyterian church and always took an active part in the work of that organization.

Funeral services will be held from the residence in charge of the Rev. W. H. Marbach, the time to be announced later. Burial will be in Diamond Grove cemetery.

AMATEUR BOXING HAS NEW CHAMPS

BOSTON ARENA, April 18.—The National Amateur Heavyweight boxing championship one of eight decided at the title tournament here tonight moved from the east coast to the west coast when John Williams, of San Francisco defeated Gordon Munce of New York 1921 champion.

The bout went for rounds the judges disagreeing after the regular three and again after the fourth. The referee gave the decision to Williams. It was Munce's first defeat after 23 victories. With his failure a complete new set of title holders was assured.

The bout was a slam bang affair at times but in the extra round Williams uncovered a left jab that Munce was unable to counter.

ELECTIONS IN NEARBY TOWNS

South Jacksonville.

In the election Tuesday in South Jacksonville the Citizens' party candidates were elected, Orville Coultas being the new trustee and O. F. Buhrman and James McGinnis both re-elected trustees. E. E. Batstall is to again serve as village clerk. The figures are given below:

Trustees—Orville Coultas, 94; O. F. Buhrman, 82; James McGinnis, 70; Edward Young, 12.

WEDDINGS

Allen-Birdsong.

The wedding of Robert Allen of Chicago and Alice Evelyn Birdsong of Springfield occurred in the Capitol City Sunday evening at 6:30 o'clock.

It was a very pretty home wedding. The rooms were decorated for the occasion and appropriate for Easter as well.

The bride is the younger daughter of Mr. Birdsong of South Fifteenth Street. She is a graduate of the high school of this city of the class of 1921 and very beloved by her friends and associates. She looked very sweet in her soft crepe de chene.

The groom is the son of Ben Allen of Streator, Illinois. He attended the Jacksonville High school and the last two years has spent most of his time in Chicago. He has learned the trade of shoe repairing and is in business. He is very popular with the younger set there, having been best man at six weddings since January.

Mr. and Mrs. Allen received an abundance of nice presents both in Springfield, Jacksonville and Chicago.

They left Sunday evening for Chicago and will be at home to their friends on Langly Avenue.

Road Tells Patrons Why Lessening of Passenger Service Must Come.

Representatives of various cities along the C. P. & St. L. were present at the hearing yesterday of the road's application to the Illinois commerce commission for authority to reduce its train service. George B. Kendall attended the conference on behalf of Jacksonville chamber of commerce. Practically every city and town along the road had its representatives. The road officers were able to present figures to prove that the road is in a very bad financial state and that something must be done to curtail expenditures. The figures also showed that the present passenger service is being maintained at a loss. Most of the representatives of the cities and towns after hearing the argument presented and listening to the statement by the commerce commission, were forced to agree that the road's proposed action is almost compulsory.

It was tacitly agreed that service will be reduced on the road to one passenger train a day in each direction and that freight trains will also carry passengers. It is the expectation that the Jacksonville train will be sent north about 7:40 a. m. each day instead of at 6:50, the schedule recently proposed.

PROBE IS BEING MADE OF AFFAIRS OF STATE BANK

Alleged Shortage Has Been Made Good Except \$25,000

(By The Associated Press)

CHICAGO, April 18.—Investigation of an alleged shortage of \$48,000 in the funds of the Milwaukee-Irving State Bank by the state's attorney's office today resulted in the questioning of former officials and a statement that any evidence gathered will be submitted to the grand jury. The entire deficit except \$25,000, has been made good by the directors according to Edgar A. Jones, assistant state's attorney and the \$25,000 will be posted as soon as arrangements can be made with a surety company.

Officials of the institution today said that its condition was sound and that any proceedings by the state's attorneys office are to fix the blame.

"We expect a small run in the morning as a result of the publicity we have received," Peter H. eleven, cashier said, "but we are prepared for any contingency."

According to investigators, the missing money has never been located. The shortage officials say was discovered last October and directors of the bank immediately started to make up the deficit.

DANCE AT WINCHESTER WAS GREAT SUCCESS

"Butterfly" Dance Given at Legion Hall By Mrs. Lee Cunningham—Other Items of Interest from Winchester.

Winchester, April 18.—A "Butterfly" dance was given Monday evening by Mrs. Lee Cunningham at Legion Hall, assisted by the following butterflies: Misses Blanche Smith, Bess Pieper, Louise Hainsfurther, Martha Leach, Martha Gibbs, Katherine Bagshaw, Marinda Coultas. Prizes offered for the most graceful butterflies were won by Miss Blanche Smith and Miss Bess Pieper, honorable mention was won by Miss Bess Hainsfurther and Miss Helen Doyle.

A six piece orchestra furnished a very good program of dance music and Mrs. Cunningham proved a very pleasing hostess. The evening was an especially enjoyable one for all present.

Mrs. William Redshaw who has been quite ill at her home northwest of town, is improving.

William Evans left Tuesday afternoon for St. Louis, called by the death of his brother, Ezekiah Evans, who is a former resident of Winchester.

Miss Belle Kirkpatrick is now able to walk down town, which is gratifying news to her many friends. She sustained an injury to her knee in a recent fall and has been confined to her home for the past seven weeks.

### OBITUARY

Margaret Ann Chambers daughter of Nancy and John Chambers was born in North Carolina, May 10th, 1840, and died at her home in Murrayville, Wednesday, April 17th, 1922, aged 81 years, 11 months and two days.

She was married in Jan., 1862 to George B. Fanning and to this union were born seven children two of whom with Mr. Fanning preceded her in death, Charlemon Fanning and Mary, wife of A. M. Rogers.

She leaves to mourn her loss five children, namely Sylvester of Burlington, La.; Ernest of Moline, Ill.; Matilda Jones of Stoutland, Mo.; Mrs. Nettie Baker of Virginia, Ill.; and Mrs. Luella Jones of Murrayville. She also leaves two brothers, Moses Chambers of Palmyra and Ranson Chambers of Waverly, and two sisters, Mrs. Anna Cline and Mrs. Sarah Smith of Waverly and several grandchildren.

For several years Mrs. Fanning has made her home with her daughter, Mrs. Luella Jones and family from whom she received every care that a loving daughter and family could give her. She was converted in her sixteenth year and united with the M. E. church and later united with the Baptist church, being a member 64 years.

She was a faithful follower of the Master whom she lived, and as long as her health permitted she was a faithful attendant at church.

During her long weary days of suffering she never murmured or complained, and just a few hours before she passed away she said she was ready to step into the chariot when it came.

The passing was not death to her, only the going into a broader and nobler life, and today while the frail body rests in the flower covered grave the redeemed soul is at home with the Master she loved.

Over the river the Angel has called her.

Over the stream with its dark rolling tide.

She has entered that home in the mansions of glory.

Where Christ and his loved ones forever abide.

SAMUEL A. BAGLEY DIES  
AT HOME IN INDIANA.

News has reached friends here of the recent death of Samuel A. Bagley at the family home in La Porte, Indiana. The deceased was the father of Mrs. M. H. Grassley, formerly of this city and now resident in Springfield, Mass.

The deceased was eighty years of age at the time of his death, veteran of the Civil War and prominent in the business life of La Porte for many years. He served as postmaster of his home city and was for some time associated with the Bank of the State of La Porte. Mr. Bagley was a member of the First Christian church of La Porte and was serving as deacon at the time of his death. He was a member of the La Porte Masonic fraternity.

Mr. Bagley is survived by three daughters, Mrs. Grassley, of Springfield, Mass.; Mrs. John P. Flickner of Chicago and Mrs. F. R. Liddell of La Porte.

THE "MOTHER OF MEDICINE" Is the Queen and afterwards the Goddess was called the "Mother of Medicine." In ancient Egypt centuries before Christ, women were skilled in medicine. They knew the great value of medicinal plants.

Hippocrates, the "Father of Medicine," many centuries later, knew less of the merit of vegetable drugs than did the women of ancient times.

Lydia E. Pinkham, nearly fifty years ago, gave women her vegetable Compound, now known everywhere as Lydia E. Pinkham's Vegetable Compound. This is a woman's medicine for women's ailments, prepared from medicinal plants.

CHAPIN RESIDENTS HAD EASTER OUTING.

A party of residents west of Chapin drove to Naples vicinity Sunday to view the high water and enjoy Easter. All took well filled baskets also plenty of eggs and had an old fashioned egg roast. Those in the party were: Mr. and Mrs. Charles Bunch, Mr. and Mrs. Ed Lear, Mrs. Elsie Sandman and son, the Misses Vida and Cecil McGlasson, Lee and Fay Lear, Mildred and Gladys Bunch, Mr. John Werries, Fletcher Matthers, William Fisher and Russell Bunch.

Mr. and Mrs. John Sanderson and daughter Helen, of St. Louis are visiting at the home of Mr. and Mrs. J. C. Rook on South Main street having been called here by the death of John Noonan.

# NEWS OF THE SPORT WORLD

## GETTING READY FOR BIG BILLIARD MATCH

Players Now Train Much After Manner of Boxers and Field and Track Men—What Men Do to Keep Fit.

By Al Spink.

Jacob Schaeffer, present world's champion at 18.2 ball line billiards is a real sportsman. He believes in passing the championship around, and so, instead of touring the country and posing for a year or two, he is meeting all comers, who are entitled to challenge under the rules established by the tournament players.

To this end, he quickly and without words or circumlocution, accepted the challenge of Welker Cochran of San Francisco to play him the next challenge game for the world's championship and it will take place in Orchestra Hall in Chicago on Tuesday, Wednesday and Thursday nights, May 16, 17 and 18, 1,500 points, 500 points a night.

Schaeffer and Cochran, knowing the great importance of this match, will, in the next few days, go into strenuous training for it looking after their physical as well as their playing condition.

The professional players have learned recently that to win great games there is nothing that helps so much as being in first class physical condition. So until the night of their match both Schaeffer and Cochran will put in much time on the golf links by day and in the billiard rooms practicing at night.

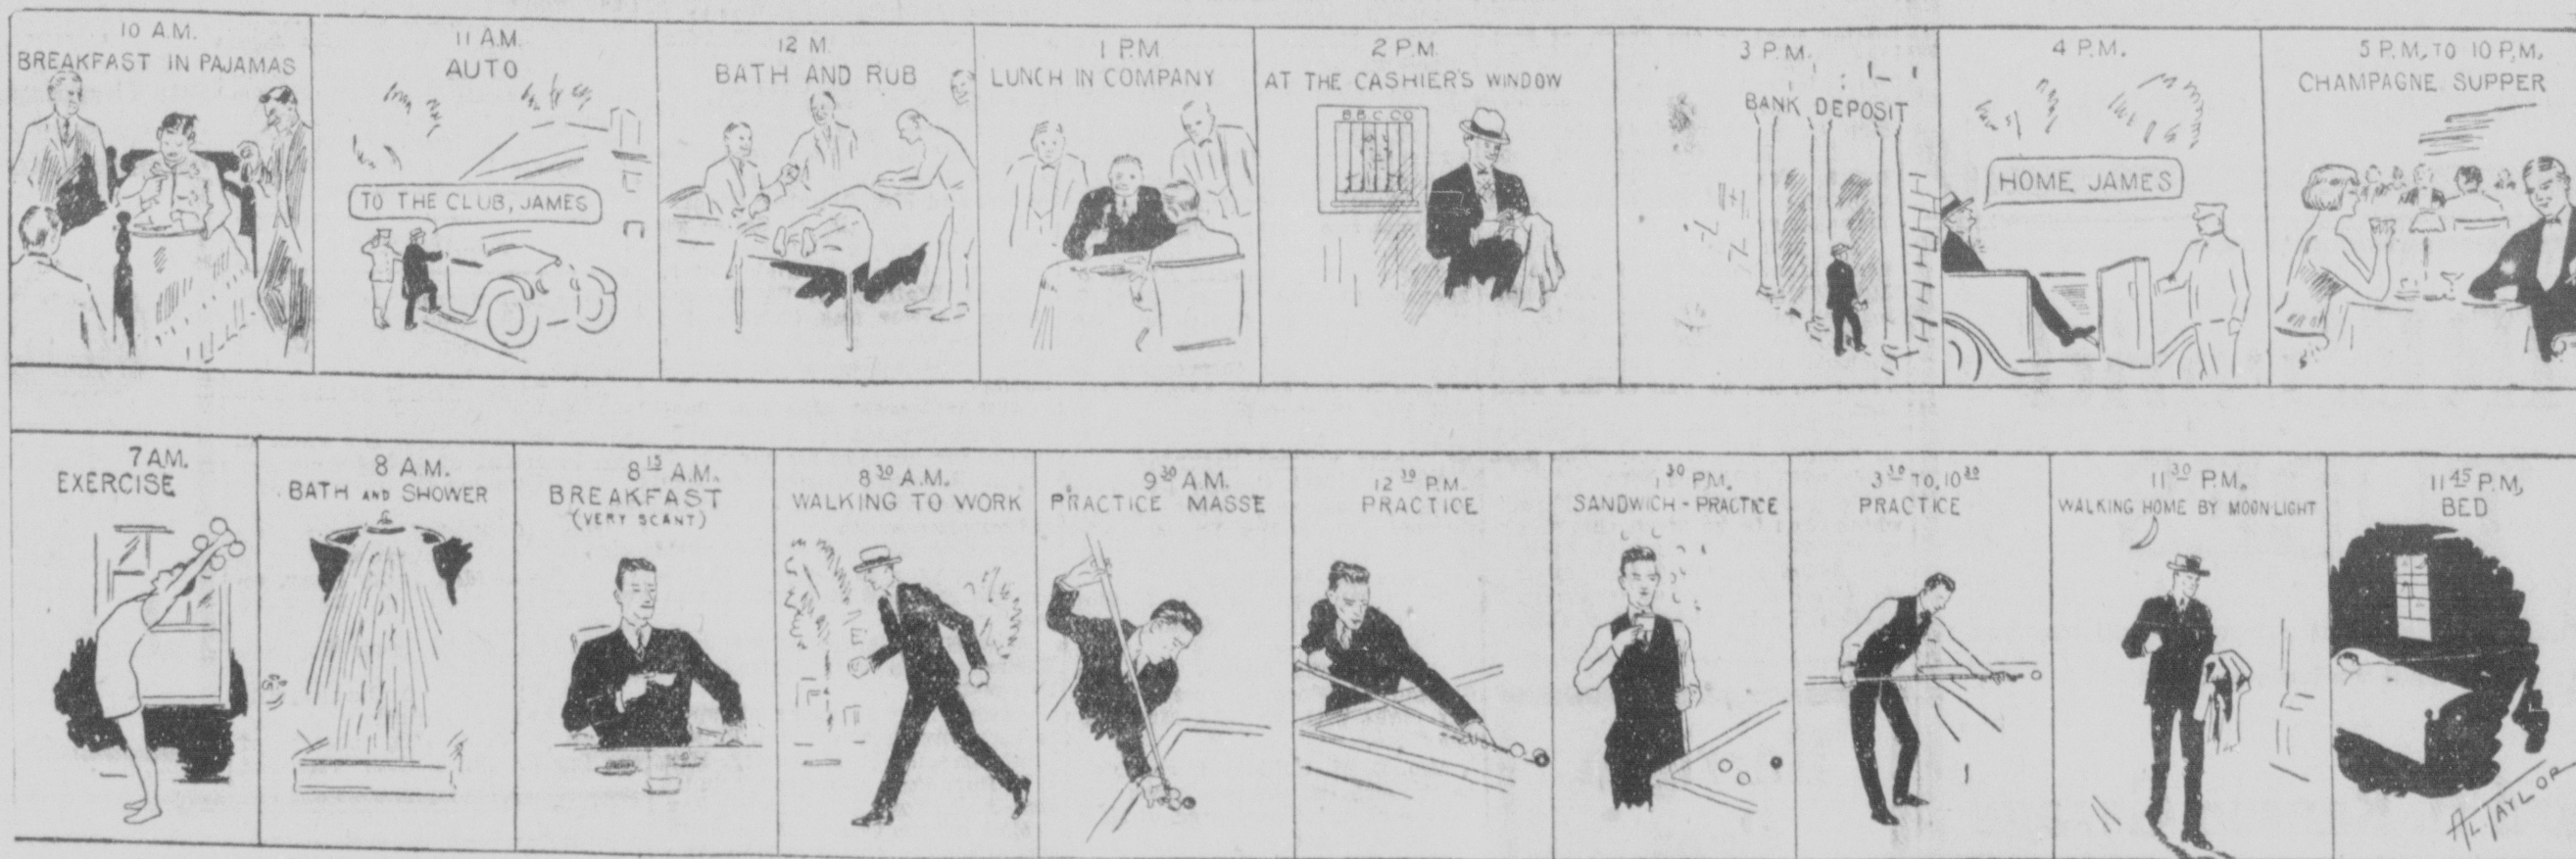

Recent pictures show Schaeffer at work keeping in shape so as to be able to retain his title, and it proves how earnest and industrious he is in his endeavor to keep in top physical condition.

And while Schaeffer is training strenuously in West Baden, over in Dowagiac, Michigan, where Cochran has been resting after a long tour thru the country, he, too, will soon begin to get ready for what he believes will be a bruising battle with the champion. Cochran will be just as careful in preparing for this match as Schaeffer. He is just as careful about the way he lives as he is the champion. So when the two meet it will be a battle, not only meet it will be the greatest billiardists, but a contest between two thoroughly trained athletes.

Those who know best think that a match between Schaeffer and Cochran bids fair to rival the recent Schaeffer-Hoppe event, the most brilliant ever played, for the two are about the same age, just turned 26, and of the same height. Each is a fast, dashing quick moving player who never tires the spectator by slow and too deliberate work.

In his last game in defense of the championship, Schaeffer retained his diamond trophy and the emoluments which go with it.

This coming match having created discussion the country over, as well as in Chicago, due

to the fine showing Cochran made in other games, will undoubtedly bring out a larger attendance than at the first match; and billiardists familiar with the great skill of the two players and the probable evenness of the contest will come from all directions to see it.

## DEMPSEY GREETED WARMLY IN LONDON

LONDON, April 18.—Francis Descamps, manager of Georges Carpentier, who arrived in London last night from Paris, accompanied by Carpentier, was among the first to greet Jack Dempsey as the American pugilist stepped from the train into a large crowd awaiting him at the Waterloo station this afternoon. Carpentier was not with Descamps having left for Manchester early in the day to give an exhibition tonight. The French boxer will return to London tomorrow and after greeting Dempsey will go to Maiden Head to begin training for his fight on May 11 with Ted "Kid" Lewis.

Dempsey was cheered by a large crowd which included many women. He declared he was glad to be in England and was grateful for his wonderful welcome. Jack Kearns, manager of the pugilist, said he could not foresee any bouts in England.

## SHADE GETS DECISION OVER BUD LOGAN

OMAHA, Neb., April 18.—Dave Shade was given a referee's decision over Bud Logan of Omaha in their 10-round bout here tonight. Shade weighed 144 and Logan 141 pounds.

In the semi-windup Roy Cenley Wyoming was given a decision over Archie Ammons, Marshalltown, Iowa, after 10-rounds. The men are welterweights.

## U. OF I. SWAMPED UNIVERSITY OF TEXAS

AUSTIN, Texas, April 18.—The University of Illinois track team defeated the University of Texas today, 114 to 16. It was staged in a drizzling rain that increased intermittently into showers and downpours. The Illinois team experienced little trouble in defeating Texas in any of the events. The Texans started strong at all times but failed to match the strength and endurance of the Illinois men.

Texas did not take a first place and took second place in but two events. These were the 120 yard high hurdles and the high jump. Prendergast for Texas finished last in the high hurdles but was given second place when Sapp, Texas, and Johnson, Illinois, and H. S. Wallace, Illinois were disqualified.

Texas' star miler, Tommie Loop, of whom much was expected was badly defeated by the Illinois men. He finished fourth but was awarded third place when an Illinois runner was disqualified.

## FASHIONS DO NOT BOTHER IN ODESSA

Women Have No Fashion Journal and No Cloth to Make Dresses—Wear Furs Only a Daytime.

By Associated Press.

Odesa—Spring fashions do not bother the women of Odesa. They have no new fashion journals nor cloth with which to make new dresses. Women sometimes have a hat and a few yards of rough cloth to clothe themselves.

Underclothing is an unknown quantity. So are stockings for the unlucky. Women who have cloaks or furs wear them in day time but at night leave them home. If they did not they would be robbed in the darkened streets.

People who go to the theater travel homewards in groups for protection.

This lack of clothing hits very hard the younger girls. One of them said to the correspondent: "I should like to go abroad, if only to get nice clothes."

The older women in Russia, when talking of the chance of ever getting abroad, say, "After all, if we get abroad we would be very poor and feel our poverty more by the contrast. Here we are all dressed alike and more or less in rags and so long as we can get food enough perhaps it is best that we stay in Russia."

## ST. LOUIS PITCHERS WIN EASY FOR CLEVELAND

CLEVELAND, O., April 18.—Cleveland Indians found three St. Louis pitchers wild and ineffective today and defeated the Browns 17 to 2. Uhle fell running out a hit in the seventh and scraped his pitching wrist, St. Louis scoring its two runs in the eighth.

The Indians made nine two base hits.

Score: St. Louis 000 000 020—2 9 2 Cleveland 010 301 25X—17 22 0 Kolf, Bayne, Henry and Severid and Collins; Uhle and Nunamaker.

## ENVOY FROM AFGHANISTAN

London—By the A. P.—The first diplomatic envoy of Afghanistan to Great Britain, Sirdar Abdul Hadi Khan, has taken up his quarters in London. He is only and the youngest member of the diplomatic corps, a distinction previously held by Dr. Wellington Koo of China.

The Minister and his staff wear English clothes and look more like Spaniards than representatives of a hermit kingdom of Asia.

Sirdar Abdul told an interviewer that three newspapers were published on Afghanistan, all evening papers and that there were also about a dozen weekly newspapers and magazines.

Everett Long of Sinclair was shopping in the city yesterday.

maker by Della Decker, who is seeking reparation from her husband, Mitchell Decker. The marriage occurred in February, 1902, and the home was maintained until February, 1920. Desertion is the ground on which divorce is sought by Mrs. Decker, who is represented by Wilson & Butler. Another divorce suit filed was that of Mrs. Blanche Rivers who has brought action on the ground of cruelty against her husband, Ralph Rivers. They were married March 22, 1913, and lived together until Dec. 8, 1921, according to the declaration which was filed by Hugh Green as attorney for the complainant.

## We'll Give Her \$100 Month

for life. That's what we will pay your wife when the family income is stopped by your death. It will take you many years to save enough to give your wife an assured income of that amount. You may never save that amount of money and yet live to a ripe old age, or you may die before you have made a good start.

The average man can easily carry a Monthly Income Policy paying his wife that amount, or less, for life. This is cheaper than the usual form of old line life insurance and besides is safer and more satisfactory for her. If you leave her a large amount of insurance money she may not invest it wisely or safely. A large amount of money may dwindle or become wasted within a very few years. The Monthly Income Policy prevents all this. It's permanent.

Every year your chances for passing a life insurance examination are lessened. When you awake to the realization of your need for insurance you may not be able to get it. And remember, too, there's no easy time to buy insurance. It's all in making up your mind.

MRS. VIRES BRINGS  
SUIT AGAINST WABASH  
Asks Damage of \$10,000 On Account of Death of Her Husband.

Mrs. Catherine Vires as executrix of the estate of Renick Vires has filed a damage suit against the Wabash railroad in the sum of \$10,000. Mrs. Vires is represented by William N. Hairgrove. Only the praecipe has been filed but the suit is the result of the fact that Mr. Vires was struck and killed by a Wabash train about two weeks ago at the North Sandy street crossing.

## MADAME SAPIO PRAISED BY MUSICAL COURIER

A large number of Jacksonville people are looking forward to the concert to be given Friday evening, April 21st at Illinois Woman's College by Madame de Vere Sapio, noted soprano of New York City. Madame Sapio recently appeared in New York and the Musical Courier made the following comment:

"The fourth act of Verdis Otello was given by the National Opera Club of America on March 20th at the Waldorf Astoria Hotel. Madame Sapio in the role of Desdemona, used her voice of power and range, with dramatic effect. Her high tones were notably clear and effective and her acting that of the experienced opera singer and her appearance most admirable. All of her work brought recognition and warmest applause from the large audience."

DEALINGS ACTIVE  
ON STOCK EXCHANGE

By Associated Press.  
**NEW YORK, April 18.**—For  
the first time in several weeks,  
the stock market today was do-  
minated by reactionary influences.  
Leaders of almost every group ex-  
pressed opinion of an extreme de-  
cline of one to seven and one-  
half points. Dealings again were  
active and unusually diversified  
approximating 1,700,000 shares.  
Observers ascribed the day's  
almost continuous reversal to  
technical conditions and to the  
growth of the coal strike, bonus  
legislation and latest European  
developments, notably the Russo-  
German treaty.

Oils led today's retreat just as  
they had featured the recent ad-  
vance. Net losses were most severe  
in Mexican Petroleum, Sinclair,  
Baldwin, Electric Storage Battery  
and United States Rubber.  
Pacifiex, grangers and issues of  
the roads traversing the cotton  
belt were 1 to 2 points higher at  
their best but lost much or all of  
their advantage in the more per-  
sistent liquidation of the final  
hour, with Reading and other  
coasters weakened.

The money market offered all  
comfort to the bullish interests,  
all loans ruling about at 3 ½  
per cent. This is the lowest sta-  
tionary quotations in the stock  
market began its protracted ad-  
vance.

The bond market kept more or  
less regular pace with the reac-  
tionary stock list today, heavy  
selling for profits going far to ef-  
face recent gains.

Practically every issue of the  
Liberty series was moderately af-  
fected by this movement altho  
declines in all instances were  
relatively trifling.

Sales (par value) aggregated  
\$23,748,000.

MEREDOSIA PARENTS  
AND TEACHERS MEET

Splendid Program Carried Out at Recent Meeting of Parent-Teacher Association — Other Meredosia News Notes.

Meredosia, April 18—At the meeting of the Meredosia Parent-Teachers Association held Friday afternoon at the high school auditorium addresses were made by Hon. Francis G. Blair of Springfield and State's Attorney, Carl E. Robinson of Jacksonville. It was patron's day and an interesting program was given by the pupils also. The splendid work on exhibition by all of the grades certainly speak well for our school. If the patrons of the school would only manifest more interest, it would surely inspire the pupils to even try harder.

The Ladies' Aid of the M. E. church held an Easter Market and Bazaar Saturday and from the aprons alone realized \$30, altogether cleaning up about \$55. J. R. Bouling spent Monday with his family in Springfield. Miss Maxine Pecyhouse of Clayton visited with Miss Olive Moore Thursday and Friday, returning home Saturday morning accompanied by Miss Moore. Mrs. Frank Yeck returned home

Friday from a few days visit in Jacksonville. Mrs. Ed Wackerle and daughter Marjorie, of Jacksonville, came Friday and remained over Easter with her parents, Mr. and Mrs. A. E. Ritcher. Merle Hodge of Danville is spending his Easter vacation with home folks. Miss Alta Gaddis came down from Springfield Sunday and spent the day with her parents. Harry Beauchamp and wife of Bluffs spent Sunday with relatives here. F. W. Brockhouse of Jacksonville spent Sunday with relatives. J. M. Chestnutt made a business trip to LaPrairie Saturday. Harry Butcher of Sinclair were guests of relatives here Saturday and Sunday. George Hodge of Decatur spent Sunday with his father and other relatives here. Miss Nellie Ritcher and niece Helen Deppe came down from Springfield Saturday afternoon and remained over Sunday with the former's parents. Mrs. L. E. Deppe was a business visitor here Saturday from Jacksonville. Miss Beulah Wade returned home Saturday from Pascavart hospital in Jacksonville where she has been a patient for the past few weeks, having been operated on for appendicitis. Edgar Beely, wife and son

Howard of Arenzville, were Sunday guests of W. A. Steplin and wife. Fred Muntman and wife of Chapin spent Sunday with Henry Test and wife. Harry Hain and wife of Jacksonville Sunday with J. L. McLain and family. Miss Eva Beauchamp of Springfield spent Easter Sunday with her parents, Mr. and Mrs. J. E. Beauchamp. Mrs. S. I. Harnood arrived Sunday afternoon from St. Louis and will visit her parents, Mr. and Mrs. W. J. Hale. John Theobald, wife and son of Jacksonville were Sunday guests of relatives. Harry Ratigan and wife drove over from Exeter Sunday and were guests of the latter's brother, G. A. Bennett and wife. Elmer Siddles and wife of Chapin spent Sunday with W. J. Hale. Misses Ada and Ruth Rieman of Jacksonville Sunday with their sister, Mrs. Edward Streuter. Among the Jacksonville callers Monday were, P. S. Hodges, Isaac Harbert, Russell Brockhouse, Albert Butcher and wife, Mrs. L. H. Yost.

OBSERVING GOLDEN  
WEDDING ANNIVERSARY

Mr. and Mrs. Robert Thomson Celebrating Event in Petersburg—Ate Parents of Judge and Mrs. W. E. Thomson.

Mr. and Mrs. Robert Thomson of Petersburg, Illinois, parents of Judge William E. Thomson of this City, are celebrating fifty years of married life. At the home of George Washington Bowman, four miles north of Petersburg, father of the bride occurred the marriage of Rozenia A. Bowman and Robert Thomson on April 18th, 1872. Here the bride had lived from the time she was two years of age, and here the young couple started married life and lived until six or seven years ago when they moved into Petersburg.

The anniversary was fittingly celebrated by a family dinner at the old home place, now occupied by Harry L. Thomson, the fifth son. The house and table were decorated with white and yellow flowers and ribbons. All eleven of the children were present, coming from California, Nebraska, Iowa and Minnesota, the first time they have all been together for more than twenty years. At each plate was placed a bell of appropriate color, with yellow ribbon loop, inscribed:

April 18, 1872-1922. Robert Thomson, Rozenia A. Thomson.

After the dinner a reception was held for the old friends and neighbors of the neighborhood, and in the evening a reception was held at the Thomson home in Petersburg.

Mr. and Mrs. Thomson were the parents of twelve children, the first born dying in infancy. The family is very much scattered as follows:

Mrs. Bertie N. Short and George E. Thomson of Burbank, Calif.; James Franklin Thomson, Cairo, Nebraska; Mrs. Edith Peterson of Henderson, Minnesota; Edgar N. and Jessie M. Thomson of Atlantic, Iowa; William E. Thomson of Jacksonville, Illinois; Elmer Thomson and Mrs. Ollie Pillsbury and Harry L. L. Thomson all near Petersburg, and Glenn B. Thomson, the youngest, living with his parents in Petersburg.

The elderly couple were the recipients of numerous gifts and tokens, among which was a large, easy chair, presented by the children, and golden bells inscribed as above, linked together with golden ribbons.

Charles A. Johnson, J. Weir Elliott, Executors.

FORMER RESIDENT  
DOING GOOD WORK

The Jacksonville friends of Miss Mary Ruth Ferreira, who formerly lived in this city and graduated from Illinois Woman's College, will be interested in knowing of her work in the mission school of Hawaii. Miss Ferreira is and has for some time been a teacher in the Liliuokalani School at Haimaki, Hawaii. She is now at the head of a movement the purpose of which is to establish a central clinic for crippled children of Hawaii. The clinic is to be established in Honolulu and will benefit hundreds of little Hawaiian children.
